PROFILE

I am a BCA student (Sem 4) with a completed paid internship at Prolog Infotech. I have hands-on experience in both frontend and backend web development, with proficiency in:

- Frontend: HTML, CSS, JavaScript, jQuery, Bootstrap
- Backend: PHP, WordPress

I am eager to expand my skills and contribute effectively to web development projects.

INTERNSHIP EXPERIENCE

- **Prolog infotech** 2024-25
web desing & development intern
 - Developed a fully functional skincare website as a personal project to showcase my frontend and backend skills.
 - Designed and implemented responsive UI using HTML, CSS, JavaScript, and Bootstrap.
- Built backend features using PHP and integrated WordPress for content management.
- Focused on creating a user-friendly interface with interactive features, ensuring seamless navigation and experience.
